The meeting was at the Webster Library at 5:25 ,Atai and Mamadou joined by Zoom

#### **Meeting Agenda**

- Progress Sprint 1
- Users Stories

#### **Discussion Points**

##### Separation of Roles for Sprint 1

- We decided that instead of having 3 QA front end, and 3 QA back end, we would change it to 2 QA frontend, 2 QA backend, and 2 full stack developers. We think that this would be more efficient to make our project.

##### New roles

- Shanvin Luo: Product Manager/ Full-stack developer
- Mamadou: QA Front-End/ Frontend developer
- Idris: QA Security/ Full-stack developer
- Michael: QA Backend/Backend developer
- Lina: Frontend designer/Frontend developer
- Atai: website architecture/Documentation/ Backend developer

##### User Story

- We all wrote one user story.

#### **Next Steps:**

- Setting up Github Projects and the Github environment and start creating Issues and putting documents in Github
